NEW YORK GAP YEAR

A year of adventure and growth!

MAKE THIS YEAR COUNT!

The Corona Virus ordeal and economic turmoil has caused a lot of stress among students across the country. For those of you who would like to take a break from all the pressures and experience a year of adventure and growth before moving on to the next phase of your life..... UNO'S NEW YORK GAP YEAR might be the right choice for you!

Language/Inter-Cultural Immersion

New York City provides the perfect opportunity to extend your language skills in Spanish (or one of the other 200+ languages spoken in NYC!) We provide contacts for language studies and immersion connections in many immigrant communities in NYC.

Internship

One option to amplify your GAP YEAR experience: signup for an INTERNSHIP with one of our sponsoring churches, immigrant ministry centers, or non-profits..

Arts Immersion

World class museums, galleries, Broadway shows, concerts, and dance performances are so common that you will have more options than you have ever dreamed of! We help guide you to schedule and take advantage of all NYC has to offer.

Community

GAP YEAR NEW YORK means community with people from all over the world....by meeting people from all over the world, you will develop life-long, life-changing relationships that will totally revamp your worldview!

\$\$\$\$\$

One of our unique aspects of the GAP YEAR NEW YORK experience is the opportunity for you to actually earn and save money while experiencing your NYC "year off". Through our partnerships, we can help you get a part-time job with a NYC church, non-profit, coffee shop or restaurant....paying \$15 an hour (or more!)
